質問・相談：dacostaeriko@gmail.com

Discuss the characteristics and definitions of culture with your group members and summarise them on one slide in English. Please be prepared to present your presentation in the first session in English within three minutes.

- Individual homework before group discussion: please research about how to define or characterize culture before the group discussion
- Please note any references to the slide contents. If the references do not fit on the slide, please add them on a separate slide
- Feel free to make your slides in either Google slides or Powerpoint.
- Please save your presentation as a PDF when you submit it.
- Single or multiple presenters are okay
